

Stud Service Agreement

Thank you for expressing an interest in using **Lon's Wooftech Stud Services** in your breeding program. Our policies for providing stud services to outside dams are enclosed.

Please examine the following before making a breeding commitment.

- * Stud fee 20K (2-3X interlock)
- * Dam must have completed vaccinated and anti-rabies, free of parasites, ticks & fleas.

For puppy share:

- * If 6 puppies or more, the sire's owner will take 2 puppies

Terms and conditions

1. the bitch owner must update at least 45 days after the first session if the bitch is pregnant or not.
2. On her 50th day the bitch must undergo ultrasound or x-ray by a certified veterinarian to determine the number of puppies.
3. Stud owner will choose said puppy before puppies from said litter have left the bitch owner's residence, after examination of litter by the stud owner.
4. At least one puppy that is born dead or alive constitutes a litter.
5. The puppy fee option may be refused by the bitch's owner and may be paid in the form of cash equivalent to the price of Belgian Malinois quality line male or female Php 20,000 non-pcci or Php 25,000 with pcci.
6. In case only one puppy is born the bitch owner will pay half of the price of the puppy 10,000 pesos if male, 12,5000 if female.
7. In case the whelped puppies are dead the bitch owner will pay original stud fee Php 8,000 and must submit a certificate from a certified veterinarian if the whole litter are dead.
8. In case the bitch gives birth through CS, the stud owner is not liable to pay any amount.
9. Stud owner agrees to take normal adequate care of the bitch during the stud session; however, the stud owner will not be held responsible for her injury or loss.

By the contract both parties agree to all the agreements and terms mention above.
